

Discover the Road to Spiritual Freedom

ECKANKAR Australian Seminar 2019

January 11-13

The Esplanade Hotel Fremantle by Rydges — 45-54 Marine Tce, Fremantle WA 6160

A Spiritual Opportunity

ECK Seminars are an opportunity to **reboot our connection with Divine Spirit**, the ECK; to **build and renew friendships**; an opportunity to **experience the many gifts of service** and time to enjoy a stimulating and **spiritually charged program**.

How do we know that? Because we asked many ECK members and that is what you said.

The 2019 ECK Australian Seminar in Fremantle will be above all else, an opportunity to **go higher, further, deeper with your spiritual life**. It is our gift of love to YOU.

The seminar team is hard at work to make this seminar the best yet. It will include time to share ideas, share a meal and share the love of the ECK.

We are delighted that our special guest-speaker is Karen Kiser, from the Temple of ECK in Chanhassen. Karen is the Director of Temple Services and RESA Services for ECKANKAR, formerly the RESA for Minnesota. She is an inspiring speaker who has spoken at ECK seminars and major events all around the world.

In the love of ECK,

Invitation to the EAS 2019

I'd like to warmly invite you to a very rare opportunity to attend the ECKANKAR Australian Seminar 2019, **Discover the Road to Spiritual Freedom**, here in Perth, Western Australia.

This once in a seven-year event in Perth, offers you the unique experience of the ECKANKAR Australian Seminar in Western Australia's wide-open spaces and overarching azure sky. Western Australia is an expansive and ancient land that reflects the very essence of the seminar title itself, *Spiritual Freedom*.

The seminar is being held in Fremantle, the historic port city of Perth, Western Australia. Perth is perched on the western edge of the Australian continent, between the desert of inland Australia and the turquoise blue waters of the Indian Ocean. It has become known as the City of Lights, so named by John Glenn as he orbited our planet in his space capsule *Friendship VII*, in 1962. However, it's been suggested that the origins of this name may be far older than this.

We look forward to welcoming you to our balmy Western Australian summer, where the warmth of the summer sun, is tempered by the cooling breeze of the Indian Ocean. It's an experience I'm sure you will be overjoyed to share with all those adventurous souls, ECKists, and seekers alike who will come to explore the depths and breadth of *Discovering the Road to Spiritual Freedom*.

With Love in ECK

Sri Harold Klemp,
the Mahanta, the Living ECK Master

To See the Holiness of Soul

"Soul is identified with the ECK, the essence of God, for Soul is that divine part of God which dwells in every man. The vibration of the solar sound unveils the true objective of Kal, but the Sounds of ECK reveal the divine reality of God within man."

Shariyat-Ki-Sugmad Book One, p. 30

Shariyat Exercise

Sing HU or your secret word for several minutes. Start by singing aloud, then silently to yourself. In your Spiritual Eye, see a thick curtain before you. It hides a realisation of Soul and is about to fall to the ground. What will you see when it falls? Continue to sing your word until the moment the curtain drops.

Today, the Inner Master will show you one thing you can do in your daily life to bring your realisation into manifestation. It could be a discipline, such as reading a paragraph from an ECK book every evening just before bed, or following a nudge to change an outworn habit.

—Harold Klemp, *Spiritual Exercises for The Shariyat-Ki-Sugmad Book One*, p. 24
